Statutory warranty information

Is this vehicle automatically covered by a statutory warranty under Part 4 of the *Motor Vehicle Traders Act 2011*?

Yes ☐ No ☐

Motor vehicles are automatically covered by a statutory warranty under section 43 of *the Motor Vehicle Traders Act 2011* for the first 3 months or 3,000 km, whichever occurs first, after delivery to the purchaser. The warranty applies to:

- Cars less than 7 years old, and driven less than 120,000 km before sale; and
- Motorcycles less than 3 years old and driven less than 15,000 km before sale.

If a vehicle is not automatically covered by the statutory warranty, the trader does not have any obligation under section 46 of the Act to repair or make good any defects after delivery. The trader may have obligations under other legislation, including Consumer Guarantees given under the *Australian Consumer Law (Tasmania) Act 2010*.

Guarantee of clear title to vehicle

The *Motor Vehicle Traders Act 2011* provides that if a licensed motor vehicle trader sells, or supplies on exchange, a used motor vehicle, he or she must pass the title to the motor vehicle free from all encumbrances and interests. Penalties apply under section 36 of the Act if a trader does not provide a guarantee of clear title for a used vehicle (this Guarantee is not applicable to consignment sales).

To show the vehicle has no money owing on it and is not stolen, the trader may use a 'Certificate of Clear Title' from the Personal Properties Securities Register to show the vehicle has a clear title, to the best of the trader's knowledge at the time of its sale or disposal.

Written-off register information

Is the vehicle entered on the register of written-off vehicles within the meaning of section 159 of the *Vehicle and Traffic (Driver Licensing and Vehicle Registration) Regulations 2021*?
